What is Minimum Order Quantity (MOQ)?

There is “**no**” minimum order quantity for all products mentioned in our product catalog. You can order a **single piece** or **thousands of pieces**. Any custom product will have MOQ limit based on product type.

What is Minimum Order Value (MOV)?

Although, there is no minimum order quantity, but there is a set minimum order value of **£500.00** and when you order at MOV or more than MOV, the order processing fee is waived off

What happens when MOV is less than set limit?

When MOV is less than the limit, an order processing fee of **£40.00** added to the total bill

What is Order processing fee?

Order processing fee includes, but not limited to, are bank charges, forwarding charges etc. This does NOT include freight charges, insurance charges, and shipment charges

What happens when we place order?

Royal Composites will check the ordered materials and their respective quantity and would revert back to you with an estimated date of delivery

All standard items with small quantities are generally ex-stock at Kolkata, India

When can we make payment to Royal Composites?

Once the order is ready, Royal will raise a Performa Invoice to you to make payment. Once you get invoice, you can make wire transfer to make payment

What does Performa invoice include?

A Performa invoice include, total order value, plus processing fee of **£40.00** in case MOV is less than **£500.00**

What happens to insurance, shipping/ freight charges?

Insurance and Shipping/ freight charges are paid by ordering party.

If you wish to include insurance, shipping/ freight charges in the invoice itself, Royal Composites would raise a CIF Invoice. In this case, insurance, shipping/ freight charges will be paid by Royal Composites once the payment against the CIF invoice is received

What is CIF invoice?

This invoice includes Cost of product, insurance cost and freight charges. This may also include a processing fee of **£40.00** in case MOV is less than **£500.00**

Can you send us the products as kits, as per cylinder specification?

Yes, Royal Composites can prepare kits as per cylinder specification

Can I order a custom seal, which is not in catalog?

Yes, this is possible, but lead time may increase based on the specification and volume of the order

What is method of payment, bank accounts etc?

Payments can be made via wire transfer into below mentioned account

Bank Name: HDFC BANK LIMITED

A/C Name: ROYAL COMPOSITES PVT. LTD.

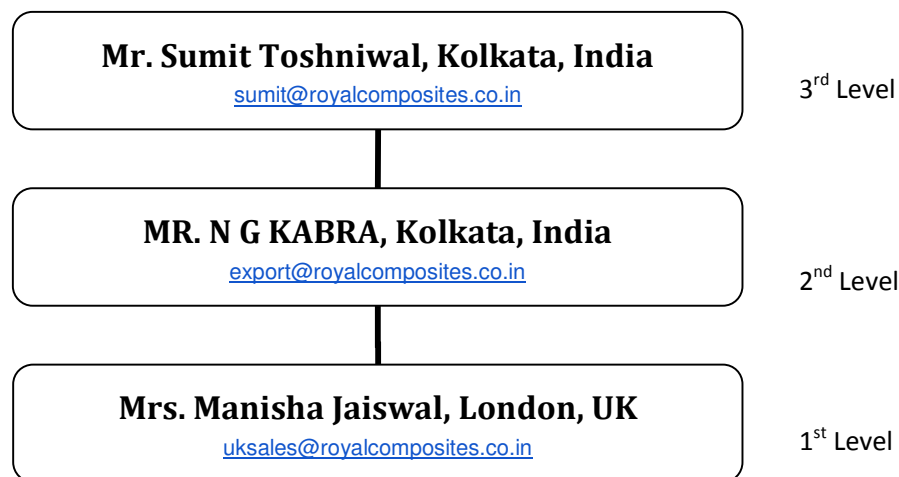

Branch: 4, B.B.D. BAGH (EAST), KOLKATA -700 001 (INDIA)

A/C No: 00082560004499

SWIFT Code: HDFCINBBCAL

Is there an escalation matrix?

Yes, please refer to below matrix in case you need to escalate any issue or concern

Now, that's explained. Let's get started with real business. Good Luck!
